Please email changes and updates to lists@nzna.org

NA is a non-profit fellowship of men and women for whom drugs have become a major problem. We meet regularly to help each other stay clean.

All meetings in public buildings are non-smoking. Meetings take place every week of the year, including public holidays.

Meetings are **60 minutes** in duration unless specified, and are **Open** unless noted as being **Closed**.

A **closed meeting** of Narcotics Anonymous is for those individuals who identify themselves as addicts or for those who are uncertain and think they may have a drug problem.

An **open meeting** is an NA meeting that may be attended by anyone (e.g. judges, probation officers, professionals, family members) interested in how we have found recovery from the disease of addiction. Verbal participation, however, is limited to NA members only.
